School Starts Tomorrow!

Our summer session, scheduled from July 29th to August 23rd, is a mandatory program designed to offer students the chance to catch up on any missed coursework, get ahead in their studies, and actively prepare for future college or career endeavors. In addition to academic enrichment, the session will feature internships and programs geared towards providing valuable real-world experiences.

At Vertus High School, we firmly believe in the philosophy that a year-round program is essential for the holistic development of our students, both academically and socially. This summer session aligns with our commitment to offering continuous support for your child's educational journey.

We look forward to welcoming our young man back tomorrow at our mandatory summer session.
